

Curriculum Vitae
MICHAEL ROY
 Elizabethtown College
 Department of Psychology
 1 Alpha Drive
 Elizabethtown, IL 17022
 phone: (717) 361-1331
 e-mail: roym@etown.edu

ACADEMIC EXPERIENCE

Associate Professor, Elizabethtown College, Elizabethtown, PA	2013- Present
Research Associate, North-West University, Potchefstroom, South Africa	2012 - Present
Assistant Professor, Elizabethtown College, Elizabethtown, PA	2007- 2013
Post-Doctoral Fellow - Quantitative Trainee, University of Illinois, Champaign-Urbana	2005-2007
Faculty Fellow, University of California, San Diego	2003-2005

EDUCATION

Ph.D. University of California, San Diego, CA	2003
Nicholas Christenfeld, PhD advisor: "Memory Bias: Why We Underestimate the Duration of Future Events."	
Committee Members: Craig McKenzie, Ebbe Ebbesen, Mark Machina, Roy D'Andrade	
M.A. University of California, San Diego, CA	1999
Nicholas Christenfeld, thesis advisor: "Effect of Social Support on Reactivity to Stress."	
B.A. Bates College, Lewiston, ME. Graduated <i>Cum Laude</i> .	1991
Kenneth Moyer, thesis advisor: "Gender Differences in Lip Reading Ability."	

GRANTS AND AWARDS

Merit Award – Scholarship, Elizabethtown College	2013
Collaborative Interdisciplinary Scholarship Program Grant, Elizabethtown College	2008, 2009, 2011
"Music Intervention in a South African Secondary School"	
Faculty Grant, Elizabethtown College "Cultural and Personality Influences in the Uses of Music"	2009
Travel Award, JDM Pre-conference, SPSP Memphis, TN	2007
Summer Institute on Bounded Rationality, Max Planck Institute, Berlin, Germany	2006
NIMH, National Research Service Award MH14257 – Quantitative Trainee	2005-2007
Travel Awards, UCSD Department of Psychology	2001-2005
Research Materials Awards, UCSD Department of Psychology	2000-2003
Research Grant, UCSD Academic Senate	2000

PROFESSIONAL AFFILIATIONS AND EXPERIENCE

Ad Hoc Reviewer:

- Psychological Science*
- Psychological Bulletin*
- Psychological Review*
- Journal of Experimental Psychology: General*
- Journal of Experimental Psychology: Applied*
- Acta Psychologica*
- Experimental Psychology*

<i>Current Psychology</i>

<i>Journal of Transdisciplinary Research in South Africa</i>	
Review Editor <i>Frontiers in Quantitative Psychology and Measurement</i>	
Eastern Psychological Association	2007-2008
Society for Teaching of Psychology	2009-Present
Society for Judgment and Decision Making	2006-Present
Society of Personality and Social Psychology	2002-Present
Association for Psychological Science	2000-Present
Society for Applied Research in Memory and Cognition	2013-Presents

SERVICE

Woodrow Wilson Visiting Scholar Advisory Committee	2011-Present
Office of Peace, Justice and Conflict Resolution Planning Committee	2010-2011
Academic Standing Committee	2010-2013
Academic Council	2010-2013
Nominating Committee	2009-2011
Institutional Review Board Committee	2009-Present
Global Ethics Study Group	2008-2010
Institutional Animal Care and Use Committee	2008-Present
Peace and Conflict Studies Minor Committee	2008-Present

TEACHING

Instructor, Elizabethtown College	
Psychological Statistics	2007-2013
Psychological Research Methods	2008-2014
Research in Social Psychology	2008-2014
General Psychology	2008-2013
Research in Cognition	2012
Peace and Conflict in South Africa	2014

Lab Supervisor, Elizabethtown College Supervised 26 undergraduate research assistants. Mentored 10 students for their honors project.	2007-Present
Instructor, University of California, San Diego Statistics Introduction to Psychology	2002-2005 2003-2004
Lab Supervisor, University of California, San Diego Supervised over 90 undergraduate research assistants. Mentored 5 students for their honors project.	1998-2005

MANUSCRIPTS

Samartino, S. & Roy, M.M. (in revision). Earworms, rumination, and working memory.

CONFERENCE PRESENTATIONS AND TALKS

- Pretz, J.E., Brookings, J.B., Carlson, L.A., Humbert, T.K., Roy, M.M., & Jones, M.E. (2013). Development and validation of a new measure of intuition: The Types of Intuition Scale (TIntS). Poster presented at the Society for Judgment and Decision Making, Toronto, ON.
- Roy, M. (2013). Personality and music: How who you are is related to the role that music plays in your life. Talk at the Bowers Writers House, Elizabethtown College, Elizabethtown, PA.
*Talk also given to the Music Educators Club, Elizabethtown College
- Roy, M. (2013). Memory bias: Why we underestimate future duration. Invited talk at the German Sports University, Cologne.
- Roy, M., Christenfeld, N. & Jones, M. (2013). Influence of task involvement on estimation of task duration. Paper presented at the Society for Applied Research in Memory and Cognition, Rotterdam, The Netherlands. Part of the symposium "Timing matters: Examining factors that influence people's sense of time" organized by M. Roy.

- Van de Ven, N., van Rijswijk, L., & Roy, M. (2013). The return-trip effect: Why doing something twice makes it feel shorter the second time. Paper presented at the Society for Applied Research in Memory and Cognition, Rotterdam, The Netherlands. Part of the symposium "Timing Matters: Examining factors that influence people's sense of time" organized by M. Roy.
- Schwab, S., Memmert, D., & Roy, M. (2013). The effect of motivation and attention bias in memory for duration. Paper presented at the Society for Applied Research in Memory and Cognition, Rotterdam, The Netherlands. Part of the symposium "Timing Matters: Examining factors that influence people's sense of time" organized by M. Roy.
- Roy, M., Settle, M., Cecco, C., Samartino, S., & Torres, V. (2013). Perceived skill distribution influences self-assessment for a novel task. Poster presented at the Association for Psychological Science Convention, Chicago, IL.
- Roy, M., Devroop, K., & Getz, L. (2012). Effect of a Participating in a Music Program on Students' Outlook. Poster presented at the International Congress of Psychology Convention, Cape Town, South Africa. *Published Abstract: Roy, M., Devroop, K., & Getz, L. (2012). Effect of a music intervention in South Africa on students' outlook. *International Journal of Psychology*, 47, 612.
- Roy, M. & Jones, M. (2012). The Relationship Between Musical Practice and Rumination/Depression. Paper presented at the South African Society for Research in Music conference, Pretoria, South Africa.
- Panebianco-Warrens, C., Diagnekova, A., Maree, K., Roy, M., & Taljaard, H. (2012). Multidisciplinary Research in Music and Psychology in South Africa: Challenges and Possibilities. Roundtable discussion at the South African Society for Research in Music conference, Pretoria, South Africa.
